WHITE RIBBON RIDE 2022 REGISTRATION OF INTEREST

If your organisation would like to host the White Ribbon Riders, please fill in the form.

The key focus of the 2022 Campaign is the role dads (and parents and caregivers) can have in setting up their children to have 'respectful relationships' (which by definition do not involve violence), and role modelling 'healthy masculinity'.

Due to the new normal under Covid, our aim is for the riders in each town to communicate with people who can create change e.g. civic or community leaders, the media and thought leaders. If you are able to organise a community event, that would be amazing - as the riders absolutely relish the opportunity to meet and chat with the public in those settings. However, the new normal means that our focus will be on the Riders communicating the campaign messages so they can be shared in your community.

Please return the Registration of Interest form as soon as possible if you're keen to host the Riders.
