WHITE RIBBON RIDE 2023 REGISTRATION OF INTEREST

If your organisation would like to host the White Ribbon Riders, please fill in this form.

The key focus in 2023 is how we can ensure that the next generation understands what respectful relationships are (which by definition do not involve violence), and how to role model healthy masculinity.

If you are able to organise a community event, that would be amazing - as the riders absolutely relish the opportunity to meet and chat with the public in those settings. You can find information about community events on the website.

Please return the Registration of Interest form as soon as possible.
